## Privacy Policy

We are committed to safeguarding the privacy of our app users; this policy sets out how we will treat your personal information.

### (1) What information do we collect?

In the standard use of this App no personal data that can be traced to an individual person, name or email is collected. **Any reference to the collection of 'personal information' relates to anonymised data.** We may collect, store and use the following kinds of personal information:

- (a) Information about your computer, tablet or smartphone and about your visits to and use of this App (eg: Google Analytics, requires user opt-in).
- (b) Information for the purpose of showing nearby items and information relative to your location.

We may, from time to time, invite you to submit personal information as part of a survey or feedback form, which expressly requests this information and explains how it will be used.

### (2) Using your personal information

We may use your anonymised personal information to:

- (a) administer this App;
- (c) enable your use of the services available through this App;
- (d) collect data on the use of our App;
- (e) prepare a summary of the anonymised data to share with others;

### (3) Disclosures

In the unlikely event of an investigation, a law enforcement agency or other government agency may exercise its legal authority to inspect our records. We may disclose your personal information:

- (a) to the extent that we are required to do so by law;
- (b) in connection with any legal proceedings or prospective legal proceedings;
- (c) in order to establish, exercise or defend our legal rights (including providing information to others for the purposes of fraud prevention and reducing credit risk);
- (d) to any person who we reasonably believe may apply to a court or other competent authority for disclosure of that personal information where, in our reasonable opinion,

such court or authority would be reasonably likely to order disclosure of that personal information.

- (e) to any person which you have given your explicit consent for us to share your personal information.

Except as outlined above, we will not provide your personal information to third parties.

#### **(4) International data transfers**

Amazon CloudFront is used as the global content delivery network for our app. As such, the anonymised personal information that is collected through our App may be stored, processed in and transferred between international countries (including the United States, Japan, and other countries which do not have data protection laws equivalent to those in force in the European Economic Area).

Information on CloudFront's security measures are available here:

#### **(5) Policy amendments**

We may update this privacy policy from time-to-time by posting a new version on our website. You should check this page occasionally to ensure you are happy with any changes.

The policy is also available through the app.

#### **(6) Third party websites**

This App contains links to other websites. We are not responsible for the privacy policies or practices of third party websites.

#### **(7) Contact**

If you have any questions about this privacy policy or our treatment of your personal information, please write to us by email [info@natureplaywa.org.au](mailto:info@natureplaywa.org.au) or by post to Nature Play WA, PO Box 3143, Broadway, Nedlands WA 6009.
